Privacy Policy:

Our [privacy policy](#) protects the privacy of your personally-identifying information that you provide us online.

The bank is required to provide adequate notice to new account customers, beneficial owners and the controlling person that the bank is requesting information to verify their identities. The notice describes the bank's identification requirements and is posted in the lobby area to allow customers to view prior to opening an account. The following statement is the bank's sign:

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that on personal accounts identifies each person who opens an account. In addition, on legal entity accounts, we will require identification on beneficial owners and controlling person.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents

If you request to open an account or become a signatory on an account with the Bank and the Bank has not previously verified your identity under the new regulatory requirements, the Bank will request documentary verification of your identity, such as driver's license or passport and/or it will verify your identity through other non-documentary methods. Similar identification requirements apply to business entities such as corporations, limited liability companies and partnerships.

In all cases, protection of our customers' identity and confidentiality is the Bank's pledge to you.
