AUTHORIZATION

I certify that the facts contained in this application (and accompanying resume, if any) are true and complete to the best of my knowledge.

I understand that if **Members First Credit Union (MFCU)** hires me, I will be required to attest to my identity and employment eligibility, and to present documents confirming my identity and employment eligibility. I understand that I cannot be hired if I cannot comply with these requirements.

I understand that any employment is conditioned on a background check. I authorize **MFCU** to thoroughly investigate all statements contained in my application or resume. Furthermore, I authorize my former employers and references to disclose information regarding my former employment, character, and general reputation to **MFCU**, without giving me prior notice of such disclosure. In addition, I release **MFCU**, any former employers, and all references listed above from any and all claims, demands or liabilities arising out of or related to such investigation or disclosure.

I understand and agree that nothing contained in this application, or conveyed during my interview, is intended to create an employment contract. I further understand and agree that if I am hired, my employment will be "at will" and without fixed term, and may be terminated at any time, with or without cause and without prior notice, at the option of either myself or **MFCU**.

I confirm that no promise regarding employment has been made to me and I understand that no such promise or commitment will be binding on **MFCU** unless it is in writing and signed by an officer of **MFCU**.

If you decide to engage an investigative consumer reporting agency to report on my credit and personal history, I authorize you to do so. I understand that filling out this form does not indicate there is a position open and does not obligate **MFCU** to hire me. If hired, I agree to abide by all company work rules, policies and procedures. **MFCU** retains the right to revise its policies or procedures, in whole or in part, at any time.

(required)	I AGREE with the above statement
