Thank you for your interest in obtaining a donation from Members First Credit Union for your community fundraiser or event. Here are a few things to know before submitting your request.

1. Members First Credit Union reserves the right to consider each request on a case-by-case basis.
2. We prioritize contributions to organizations and events that support children/youth support services, disaster response, homelessness/food support, and veterans/military.
3. Please complete as many fields that apply to your organization. Incomplete requests could be delayed or declined.
4. Please allow at least 30 days for your request to be reviewed by the appropriate committee.
5. Donation requests are not considered for individuals or political parties, candidates, or causes.
6. A decision to deny a request does not imply that the program is not needed or worthy, but simply that it does not fall within our giving guidelines, priorities, or that funds are not available.
