1. Why are you recommending this student for the ASCEND 250 program? <i>Please describe the qualities, accomplishments, or experiences that make this student a strong candidate.</i>	
2. Describe a specific instance when this student demonstrated initiative, leadership, or a willingness to take responsibility. <i>What did the student do, and what did this experience tell you about the student?</i>	

3. Describe a topic, subject, or activity that this student showed significant interest in. How did you know the student was genuinely interested?
We are particularly interested in examples of curiosity, persistence, independent learning, or going beyond the requirements of an assignment.

4. Tell us about a time when this student faced a challenge, setback, or difficult situation. How did the student respond?
What did you learn about the student's character or approach to the challenge?

5. How does this student interact with classmates and other members of the school community?
Please provide a specific example that illustrates the student's character, teamwork, empathy, or ability to positively influence others.

6. What is one quality or characteristic that distinguishes this student from their peers?
Please provide an example that demonstrates this quality.

7. Where do you believe this student has the greatest potential for future growth or achievement?
What makes you believe the student is capable of reaching that potential?

8. Is there anything else you would like the ASCEND 250 selection committee to know about this student?
Please share any additional information, experiences, accomplishments, or observations that you believe would help us better understand the student.
